

Share the story of Higher Education in Development!

Project Title	Share the story of Higher Education in Development!
Project Summary	You will work closely with USAID's Higher Education Specialist to tell the story of USAID's nearly 60-year legacy in supporting higher education in developing countries. You'll research, draft, write, and edit stories and create compelling visuals.
Country	United States
Country/Region of Focus	Global

Project Description

USAID's work in higher education stretches across the entire agency - in every region and nearly every technical sector. Help us gather stories, photos, and create new materials that showcase the importance of investing in people and higher education institutions in order to help a country on it's journey to self-reliance.

Writing

Additional Information

You'll be a part of a team working on storytelling. I'm happy to work with each intern to make sure you're

working in an area of interest to help your career goals, while also helping us gather the information we need at the Agency. You'll continue to build on work done by previous VSFS interns.

Language Requirements

None
